

The Dominican  
COMMUNITY of SCHOOLS

# Junior High

## Experience Junior High at St. Agnes Academy and St. Dominic School

### THE DOMINICAN PILLARS

St. Agnes Academy and St. Dominic School are founded on the Dominican Pillars of Study, Prayer, Community, and Service - the four pillars on which our traditions are built.

### CLASSROOM SIZE

Our Junior High classrooms provide a highly individualized learning experience with an average class size of 14 students. Two counselors enhance the academic and social experience of every student.

### LEADERSHIP TRAINING PROGRAM

Justice, Respect and Peace are the key values in our school-wide kindness initiative and leadership training program. Many of our graduates hold leadership positions in high school and earn National Merit recognition.

### STEM PROGRAM

Our STEM program provides a comprehensive introduction to Robotics, Biomedicine, 3D Design and Engineering, and investigative research.

### DISTANCE LEARNING CENTER

Through our Distance Learning Center students engage in virtual classroom experiences all around the world.

### GLOBAL OPPORTUNITIES

The world is our classroom. Students annually have opportunities to explore their world through trips to Washington, D.C., Pinecrest, and Guatemala.

### THE ARTS

Our Fine Art studio, music room, and state-of-the-art performing arts center create a dynamic environment for artists of all levels to explore their creativity.

### ROBUST ATHLETICS PROGRAM

Our Junior High offers 11 athletic programs that include Basketball, Cheer, Cross Country, Football, Golf, Soccer, Softball, Swimming, Tennis, Track, and Volleyball.

### ACADEMIC EXCELLENCE

SAA-SDS PreACT 8/9 average scores are above national average in all areas of the PreACT 8/9 (Composite, Math, Science, STEM, English, and Reading). 94% of our 8th grade students scored at or above grade-level mean RIT on the Language Usage MAP Growth Assessment.

### HIGH SCHOOL PREPARATION AND READINESS

St. Agnes Academy and St. Dominic School fully prepare our Junior High students for their high school journey with a balanced curriculum of academics, athletics, leadership, and service with customized teaching to help them truly discover their individual skills and talents.

### SERVICE LEARNING

Student Government, Beta Club, Model UN, service projects and our Ambassador Program provide students the opportunity to nurture and develop servant leadership skills.

### NEW BUILDING

The *Go Light The World Capital Campaign* features a brand new, innovative Math & Science Center and a modern athletic complex, giving our students the tools to succeed both academically and physically.
