## RATIONALE

St. Agnes Academy is committed to providing a rigorous college preparatory education centered around faith, respect, and character development and rooted in the four Dominican pillars of Service, Community, Prayer, and Study. St. Agnes Academy expects its students to have a high regard for others and a sense of responsibility to school, family, and community. Therefore, it endeavors to help each student develop citizenship and concern for others, and the School expects its students to conduct themselves as honorable young women who meet the highest standards of personal, ethical, and moral conduct. Attending St. Agnes is a privilege that is extended and maintained on the condition that students and parents accept and support School policies. Therefore, the *Upper School Handbook* has been established to assist the School in fostering personal integrity and responsibility among our students. If any student or family member violates the School's conduct policies, there will be a disciplinary response by the School. St. Agnes Academy, in its sole discretion, will make the final determination of whether there has been a violation of the School's conduct policies.

## AUTHORITY

The Board of Trustees has given authority for all behavioral/disciplinary matters to the President of the St. Agnes Academy. In turn, the President has delegated to the Dean and Assistant Dean the responsibility to administer and oversee discipline on a daily basis. The Dean, Assistant Dean, and Upper School educators with the consent of the President, are authorized to impose disciplinary sanctions.

## CONSENT

Students and families are expected to be familiar with the School's code of conduct, policies, and procedures and to abide by them willingly. Each student along with a parent or legal guardian must sign a consent form at the start of each academic year.

# ACADEMIC RESOURCES

## ATTENDANCE

While St. Agnes does not award perfect attendance, parents and students should be aware that regular daily attendance in every class is necessary for academic growth.

### **Attendance Policy**

In order to pass any course, a student cannot miss more than 10 class meetings during the semester. After the student has been absent for 3 consecutive days, she is required to provide documentation from her primary physician to her grade counselor. (Documentation must include diagnosis, treatment, medication(s) prescribed, and the date of her return to school). A conference with the counselor, family, and student is required.

Families should consult the list of holidays and vacation periods found in the school calendar before planning travel or other time away from classes. St. Agnes expects that students and their families honor these dates and not seek special vacation privileges.

Families should do their best to schedule medical appointments so as to maximize class attendance. Because of early dismissal, Wednesday afternoons are a suggested time for these appointments.

A student must be present in class for at least 30 minutes to be counted as present for that class.

Truancy is absence from classes (all or part of an academic day) without the knowledge of the parents and the School. An automatic suspension results from truancy, and a mandatory parent conference is required. Repeated infractions warrant expulsion.

Students who are tardy to class receive a demerit.

### **Attendance Officer**

Ms. Renata Novarese  
rnovarese@saa-sds.org  
(901) 435-5844

### **Absence Protocol**

1. **If a student is sick**, a parent (guardian) should call or email the attendance officer, Ms. Novarese, before 8:30 A.M. Ms. Novarese will call a parent at 9:00 A.M. if she has not previously received communication.
2. **For a planned absence:** As soon as a student knows of an upcoming absence, her family must communicate that planned absence by a note signed by her parent/guardian

and delivered to Ms. Novarese, or the parent must email Ms. Novarese. This note must include the date and time of absence(s) and the expected return date.

3. **For checking in late or for checking out early:** Students must have a parent's note or email when arriving late. If departing from campus for an appointment, students must sign out with Ms. Novarese before leaving campus and sign in with Ms. Novarese upon return. Parent drivers should meet the student and Ms. Novarese at the Veritas entrance. Failure to comply with the check in/out policy results in a demerit.
4. **When a student becomes ill at school,** her teacher directs her to report to the School Nurse. If the illness is serious, the nurse notifies the parents.
5. **Running for Offices** - Students must have no more than 5 absences in one semester to be able to run for any office or to be appointed to an honorary position (refer to p. 26).

***NOTE: Families should ensure that all emergency contact information is current.***

## Special Situations

- A student is **excused** from school if she is representing the school, attending a school sponsored event, or visiting a college\*. The Dean rules on extenuating circumstances on an individual basis.
- Each student receives two (2) **bereavement** days in the event of a death in her immediate family.
- Any student who misses school the day **preceding a school dance** is not allowed to attend without special permission from the Dean of the Upper School.
- Any student who misses more than half of the school day **preceding a sports or fine arts event** is not allowed to attend without special permission from the Dean of the Upper School.
- Attendance at **class retreats** is **REQUIRED** unless excused by the Dean of the Upper School. If a student misses her retreat, she is counted absent from all respective classes.
- The St. Agnes Counseling Department guides students who experience **prolonged absence** due to illness or injury as they complete their make-up work.
- **Driver's Licenses and Permits:** Compulsory School Attendance Forms for Driver's Licenses and Permits must be obtained from the student's grade counselor during regular school hours when school is in session. Here are the requirements as set forth by the State of Tennessee:
  1. Students must be making satisfactory progress towards graduation (not failing more than 4 subjects) to receive a form.
  2. Students must have maintained compulsory attendance, defined as no more than 10 consecutive/15 total absences (per semester).

**\*College Visits:** St. Agnes encourages students to visit colleges before making a final decision about where they will matriculate. Families are encouraged to visit colleges on Mondays and Fridays during school scheduled breaks and dedicated senior college visit days. *It is not advised to schedule college visits during exam review week (specifically December, April and May).* **College visits must be completed by the end of Q3.**

A student must submit the St. Agnes College Visit Form, signed by all of her teachers and a parent/guardian, to her college counselor at least two days before absence. Additionally, within two school days following her return to campus, she must submit to her college counselor an official letter verifying her college tour. College admissions offices provide these letters upon request, and if an official letter is not submitted, the student's absence will not be considered excused.

## **Make-Up Work Policy**

St. Agnes shares its specific make-up policies with students at the beginning of each semester. So as to facilitate learning, communication between the student and teacher is essential, either through email or in person.

- The responsibility for making up missed work rests solely with the student. Short-term absences and/or missing class for any reason do not relieve the student of her responsibility for completed assignments and test preparation when she returns. The student must check with the teacher for all details.
- Students returning to school after absence will be expected to make up daily classwork and assessments according to the number of days missed. The number of days absent corresponds with the number of days allowed for submitting make-up work. A test, homework, quiz, oral examination, or paper not made up within this time frame will result in a grade of **zero**.
- When a student is absent because of a school-sponsored program or trip, she is expected to communicate with educators in advance and to submit as much work as possible preceding her absence. On the Friday preceding the absence, the sponsor of the program or trip communicates the names of students involved to all US educators. Upon return, the student is expected to have completed her assignments.
- Educators and counselors will work with the student to designate deadlines for extended absences.
- If a student is expected to make up an assessment but **does not arrive** at the time and place, after she and the educator have agreed on these, the grade will be a **zero**.
- Long-term projects and/or papers are due on the day assigned even if the student is absent.

## **CLASS RANK**

The ranking method includes grades for all St. Agnes subjects for which a whole or a fractional unit of credit is given toward graduation. The official rank is computed on the basis of the cumulative grade point

average of the 8 semesters at the end of the senior year, and it is published on the final transcript given to the student following the Graduation Ceremony.

Before Graduation Day, class rank is provided only to college admissions offices and scholarship program administrators. The three students who receive the designation of Valedictorian, Salutatorian, and Third Honors must have attended St. Agnes Academy all four years of high school.

## COUNSELING

The vision of the Upper School Counseling Center is to guide, to support, and to empower students to meet their academic, personal, social, college, and career goals. We envision a proactive, collaborative approach among students/counselors/educators/families to prepare our graduates with the knowledge, skills, and mindset to succeed and to contribute to our diverse world.

Grade counselors are actively engaged with their students in the college search process from the 9th through 12th grades. Counselors believe the college search is an educational process and the natural culmination of a student's years at St. Agnes. Counselors believe, too, that each student's path in this process will be unique and that the student will lead in this meaningful time of self-exploration. The counselors are here as a resource, and they endeavor to offer guidance, insights, and encouragement. The process is an important period of self-reflection and self-direction. When students work in conjunction with their families and counselors throughout the high school years, they create the most positive results in the college selection process.

## CURRICULUM

The current *St. Agnes Course Catalog* contains course descriptions and can be accessed from the school website's Academics tab.

## DEAN'S LIST

Students qualify for the Dean's List based on grades earned in all semester courses. An Upper School student earning a grade point average of 3.95 or higher attains the summa cum laude designation, and one earning a grade point average of 3.45-3.94 attains the magna cum laude designation. Students earning either status on the Dean's List will have their names posted in a prominent campus location and will receive recognition on Wednesday Wire.

## DUAL ENROLLMENT

Through its participation in the Christian Brothers University HOPE Dual Enrollment Program, St. Agnes offers college credit for students who qualify in English IV and Spanish III and IV. Dual enrollment details will be given to students in class and will be sent home to parents.

- Upon successful completion of each semester's academic requirements, the student may receive three hours of college credit.
- All students enrolled in the course will follow the same schedule of assignments and will be assessed with the same rigor, regardless of dual enrollment participation.

## **Additional Graduation Requirements**

- A. All coursework assigned by the educator must be completed.
- B. A student must have a cumulative 2.0 grade point average before the school will send an official St. Agnes transcript to a college.
- C. The student must take either the SAT or the ACT, depending on college admission and scholarship requirements.
- D. All financial obligations must be met, including any outstanding accounts, such as library fines, dining hall bills, and tuition, as well as the return of school property, i.e., access cards, sports uniforms, laptops, etc.
- E. All detentions or suspensions must be served by the end of the semester.
- F. The mandatory number of service hours must be recorded with the Theology Department by the specified date.
- G. The student must participate in all required graduation activities, including all practices, and the Baccalaureate and Graduation Ceremony.

If all obligations are met, the Registrar's office will send a final transcript to the graduate's college of choice during the week after the Graduation Ceremony.

## **Academic Promotion Requirements**

Administration has the right to withhold a re-enrollment contract to a student on academic probation who is at risk for falling below a 2.0 GPA by the end of the academic year.

The family of a student whose cumulative GPA falls below a 2.0 at the end of the academic year must meet with members of administration and the Counseling Department to determine promotion to the next grade level.

Additionally, a student is not promoted to the next grade if she fails 2 concurrent semesters of either English or math within an academic year.

Depending on the course, a student may earn recovery credit for a failure by attending a summer school approved by St. Agnes. The administrator of the summer school must provide its transcript directly to the St. Agnes Registrar.

## **TRANSCRIPTS**

A student must have a cumulative grade point average of 2.0 before St. Agnes can send an official transcript to a college or university. Transcripts are available only during school hours when classes are in session. A senior needing a transcript sent prior to graduation should fill out a Transcript Request Form in the Counseling Center.

After the Graduation Ceremony, each new alumna who has met all obligations receives a packet containing her diploma and copies of her official, final transcript. During the week following graduation, the Registrar sends the final transcript to the college or university that each graduate has designated.

## LEARNING LAB

Learning Lab is open during the middle of the day to provide tutoring for students at all levels of math, science, English, social sciences, and world languages. The lab is monitored by a faculty member. This academic help is open to all students, and no appointment is necessary.

## ACCOMMODATIONS

The Counseling Center facilitates academic accommodations to meet the individual needs of students who qualify for extended time on tests and exams.

### **Definition of Extended Time**

Extended time is defined as time and a half on chapter assessments and semester exams.

### **Eligibility for Extended Time**

Qualifying students may receive extended time on chapter or unit assessments and semester exams (not on quizzes, papers, and projects). In order to receive extended time on chapter assessments and semester exams, a student must have filed a psychological evaluation with the Upper School Counseling Department. The evaluator's diagnosis must be dated within 3 years of the accommodation request to the School. If an update is needed, a letter from the examiner will suffice.

### **Additional School-based Accommodations**

In addition to extended time, accommodations may include receiving a copy of another student's notes in consultation with the educator and preferential seating in the classroom.

### **Assessment Processes**

#### **Chapter/Unit Assessments**

Every attempt is made to administer the extended time assessment on the same day that the assessment is given in the classroom in order to preserve the integrity of the assessment. Faculty members proctor all extended time assessments.

#### **Semester Exams**

A student desiring extended time for semester exams completes a form, accepting or declining the use of extended time, and returns it to her grade level counselor.

### **Accommodations for Standardized Tests**

Students have the option of using or declining the extended time accommodation on the junior-year PSAT, any AP exams, and the SAT and ACT. There is no extended time accommodation for the Pre-ACT or PSAT in the 9th or 10th grades. A qualifying student should petition the College Board and/or ACT for accommodations at the end of the sophomore year, and there must be

proof that she has used her accommodations on classroom testing. ACT/SAT testing over multiple days is **NOT** a St. Agnes school-based accommodation. Students requesting extended time on the ACT must apply by the regular registration deadline published by ACT each year. This will allow for the processing of the request and for any time needed for an appeal if necessary.

## ACADEMIC PROBATION

When a student earns below a 70/C- in any subject, she is placed on academic probation. Probation involves a period of review following a failure to meet expectations. During this time, educators partner with the student to ensure personal growth. Academic probation is intended as a positive effort to help a student make progress toward successful completion of coursework.

### Procedures for Probation

1. The School sends communication to the student's family, informing them of her status.
2. The parents and student may be required to meet with the Dean, Assistant Dean, Director of Counseling, Director of Athletics, and/or educators to discuss the details of the probationary period.

### Consequences of Probationary Status

A student's probationary period may include, but is not limited to, the following:

- Restricted homeroom during the middle of the academic day
- Mandatory, weekly meeting with her grade-level counselor
- Mandatory meetings with the educator for academic support
- Limited participation in or removal from extra-curricular activities and athletic events, as well as dances and social events
- Loss of privileges appropriate to grade level
- Suspension of leadership positions
- National Honor Society members who have been placed on probation will appear before the National Honor Society committee to determine if the situation merits removal of membership, which means that the student would not wear the National Honor Society stole at the Graduation Ceremony.

### Semester Failure Protocol

1. Students earn .5 credit for successful completion of a semester of a course. Graduates are required to complete 26 academic credits. A student may recover only one credit for a course failure during her tenure at St. Agnes. Depending on the course, a student may earn credit for a failure by:
  - retaking the course at St. Agnes, if the schedule permits, for both credit recovery and grade replacement. This policy does not apply to core courses.

- attending a summer school approved by St. Agnes for credit recovery only. The administrator of the summer school must provide its transcript directly to the St. Agnes Registrar.
2. A student will not be promoted to the next grade if she fails 2 concurrent semesters of either English or mathematics within an academic year.
  3. Credit earned at institutions other than St. Agnes is not calculated into the student's cumulative grade point average, but the credit does become part of the student's record. Transfer and summer school transcripts stand alone but are mailed with the St. Agnes transcript.

## TUTORING

- St. Agnes educators provide extra help for their students who are experiencing academic difficulty.
- St. Agnes faculty may not tutor their own students for pay.
- St. Agnes faculty may tutor for pay students they do not teach (within their own department) during the school year, with approval of the Department Chair, and outside of school hours.
- Educators oversee and monitor peer tutoring during the school day, such as occurs in Learning Lab.
- All tutors are encouraged to partner with the classroom educators so as best to assist the student.

## TEST AND PROJECT CALENDAR

In an effort to support time management and academic preparation, St. Agnes maintains a test and project calendar that is linked to every teacher's Schoology page. Three important rules concerning the calendar are below:

1. Educators are required to post tests and projects on this calendar.
2. Students are not to have more than 2 tests on any given day.
3. No assessments, including tests, projects, papers, etc., can be due on the day that classes resume following a holiday.

## INFORMATION SYSTEMS

Families should access the Learning Management System (LMS), and the Student Information System (SIS, which includes academic grades) on the SAA-SDS website.

1. The **Learning Management System (Schoology)** is managed by the educators and provides current information about individual classroom activities, daily assignments, and graded content.
2. The **Student Information System (Powerschool)** is managed by the Registrar and administration and serves as the primary resource for family contact information, progress reports, grade reports, conduct reports, and transcripts.
3. All students and educators have **Google Suite for Education** accounts with access to email, cloud storage, and document management in Google Drive. Managed by the IT Department staff, the email address for students and educators consists of the first initial of the first name, the last name, followed by @saa-sds.org. Example: thood@saa-sds.org for the President.

# Code of Conduct

St. Agnes Academy recognizes and respects the dignity of every human being. The ultimate goal of our community is that its members transfer the ideals expressed in our Four Pillars, Service, Community, Prayer, and Study, into their daily lives, both on and off campus, and we seek to promote the development of strong ethical and moral values in our students.

St. Agnes Academy expects its students to have a high regard for others and a sense of responsibility to school, family, and community. Therefore, it endeavors to help each student develop citizenship, sisterhood, and concern for others, and the school expects its students to conduct themselves as honorable young women at all times. Attending St. Agnes is a privilege that is extended and maintained on the condition that students and families accept and support School policies.

SAA values its many members and upholds a high code of conduct for students, families, educators, administrators, and others participating in our community. Students and families are expected to be familiar with the School's conduct policies and to abide by them willingly. If any community member violates the School's conduct policies, the School communicates a disciplinary response.

## ST. AGNES COMMUNITY CODE OF CONDUCT

A community member is always kind in both words and actions. Any words to or about a student's past, present, or future that can be taken as discriminatory or hurtful will not be tolerated.

A community member is always a representative of St. Agnes Academy in an appropriate and positive way both in person and on all social media platforms.

A community member always respects the property of St. Agnes and its other members. Any form of theft or damage to the property of St. Agnes or any of its personnel/students will be considered an infraction of our Code.

A community member is respectful in both words or actions concerning educators, staff, or administration and will not tolerate words and behavior that can be taken as inappropriate, hurtful, or discriminatory.

While St. Agnes has no direct control over and accepts no responsibility for the behavioral choices of a community member when off-campus, the School reserves the right to discipline a student for off-campus misconduct.

A community member will abide by the rules and regulations of the *St. Agnes Handbook* at all times.

## PARENT RESPONSIBILITIES

By enrolling in the Dominican Community of Schools, a family enters a community of trust, respect, and goodwill. St. Agnes Academy believes that a student's growth is best supported when the adults around her work together to support a culture of responsibility, kindness, and cooperation.

### **Specific expectations for parents include the following:**

*To familiarize themselves with the resources of the SAA-SDS website, which houses important materials*

*To have read and have agreed to abide by the policies outlined in the St. Agnes Academy Handbook and to assist the student in abiding by its policies*

*To attend scheduled parent meetings*

*To promote student attendance by planning travel and appointments outside of class time, whenever possible*

*To maintain the good name of SAA in the larger community, in all public and private gatherings, by demonstrating positive behaviors, including good sportsmanship*

*To engage in honest, respectful, timely, and responsive communication with other community members, maintaining confidentiality and assured of appropriate confidentiality by the School. When seeking to resolve conflict, the parent should first address the person most closely involved before moving up the chain of command*

*To ensure adequate chaperonage of their children when away from home and to actively supervise student social gatherings in their homes or otherwise on their property*

*To maintain student compliance, for their children and guests of their children, with all laws concerning alcohol, cigarettes, e-cigarettes and prescription and non-prescription drugs*

*To communicate with the families of other students who are participating in social activities with their children to ensure a safe and healthy environment for all*

*For the safety of all on campus, any community member exhibiting the signs of alcohol or drugs may be questioned by Security officers and removed from campus*

## VERITAS

In keeping with its philosophy and mission statement, which demand absolute honesty to oneself and to others, thereby creating an atmosphere of mutual trust and respect in all campus situations, St. Agnes Academy has established an Honor System as a means of achieving this ideal. The success of the Honor System is directly proportional to each person's commitment to this ideal.

All students are expected to abide by their pledges to the system. Lying, cheating, stealing, plagiarism, and negligent behavior are all infractions of the Honor Code, and when reported to the student-led Honor

Council, are treated as serious offenses. Students sign the Honor Code book at the beginning of each year. Students are expected to sign the Honor Pledge and the Dominican motto, VERITAS, on all academic assignments.

## The Honor Pledge

### VERITAS

I pledge, on my honor, that I have neither given nor received information on this assignment. (Signature)

## Infractions

Infractions include, but are not limited to, the following:

1. Lying
2. Sharing academic materials without the educator's permission

## EXTRAORDINARY ACTS OF KINDNESS

Educators recognize those students who exhibit extraordinary acts of kindness.

## DISCIPLINARY ACTION

The President of St. Agnes Academy has delegated the responsibility to administer discipline on a daily basis to the Dean and Assistant Dean. The Dean and Assistant Dean have delegated authority to the educators to make decisions in and out of the classroom. In the spirit of learning and forgiveness, any punishment is designed to be both fair and redemptive.

Concerning the process, conversations in the Dean's or Assistant Dean's office will be documented and filed in a confidential space. Parents will be notified and action(s) will be taken when there is a pattern of repeated behavior(s).

Progressive consequences are implemented for both Code of Conduct and Honor Code infractions. Consequences for Code of Conduct violations may include, but are not limited to, one or more of the following:

- a. A grade of zero or a point deduction on the assignment
- b. An apology to the offended party
- c. One or more demerits/detentions
- d. Verbal and/or written notification to parents

- e. Placement on probation
- f. Suspension\* or Expulsion\*\*

\* A student may serve suspension, either in or out of school. During an in-school suspension, the student will not be counted absent and will be able to receive any grades for the day's assessments. She will be given a research assignment based on her infraction. A student serving an out-of-school suspension will be counted as absent and not allowed to make up assessments in missed classes.

\*\*A student found guilty of a Code of Conduct or Honor Code violation may be subject to dismissal from the School. Expulsion may result from a variety of offenses at the Dean's discretion, including but not limited to, repeated inappropriate misuse of social media, smoking of any substance, use of alcohol, and/or possession of illegal substances on campus or at school-sponsored events.

### **Searching of Person or Property**

St. Agnes Academy reserves the right to inspect personal property brought onto School premises at any time, including, but not limited to, cars parked on school property, purses, backpacks, computer bags, desks, and lockers. Entry onto School premises constitutes consent to search and inspection. Refusal to consent to search or inspection shall be considered grounds for discipline or expulsion.

### **Demerits**

Demerits are given for any breach of conduct that is not in harmony with School policies. Any inappropriate behavior may warrant a demerit, as determined by the educator.

### **Progressive Consequences**

3 demerits	1 detention
3 detentions	Possible parent phone call and/or parent conference including student
4 detentions	In-school suspension

In lieu of demerits, other consequences may include, but are not limited to, mandatory counseling, community service, and/or completion of mini-courses to guide more appropriate behavior. The Dean and Assistant Dean will determine appropriate consequences based on the individual situation.

### **Detention**

A student who receives a third demerit is assigned to serve detention, and notice of detention is issued electronically via email from the Detention Moderator. The email must be printed by the student, signed by the parent, and turned into the Detention Moderator on the day of the detention.

The rules for detention:

1. The Detention Moderator informs the student of the time and place of detention.
2. The student reports, at the appointed place and time, in full uniform with her detention notice signed by a parent.
3. The student serves a period of one and one-half hours, usually performing chores.

4. Any student who arrives without her detention notice signed by a parent receives a demerit that day and for each subsequent school day that the signed notice is not submitted.
5. Any unexcused absence from an assigned detention results in an additional detention.
6. Any student who has been absent from an assigned detention two or more times (whether excused or unexcused) may be required to attend an additional detention on a different date assigned by the Dean and/or the detention moderator.
7. Multiple unexcused absences from an assigned detention may result in suspension.

## PROBATIONARY STATUS

Probation involves a period of review following a failure to meet expectations. During this time, educators partner with the student to ensure personal growth. Any student found guilty of an infraction of our Code of Conduct or Honor System is placed on disciplinary probation. In addition, a student with a D/F in any subject will be placed on academic probation.

Probation is a monitoring system designed to provide the student with positive guidance toward making better choices so that she can perform to her greatest potential as a contributing member of the St. Agnes community.

### **Consequences of Probationary Status**

A student's probationary period may include, but is not limited, to the following:

- Restricted homeroom during the middle of the academic day
- Mandatory, weekly meeting with her grade-level counselor
- Mandatory meetings with the educator for academic support
- Limited participation in or removal from extra-curricular activities and athletic events, as well as dances and social events
- Loss of privileges appropriate to grade level
- Suspension of leadership positions
- National Honor Society members who have been placed on probation will appear before the National Honor Society committee to determine if the situation merits removal of membership, which means that the student would not wear the National Honor Society stole at the Graduation Ceremony.

## Procedures for Probation

1. The student's parents receive communication from the school indicating her status.
2. The parents and student may be required to meet with the Dean, Assistant Dean, Director of Counseling, Director of Athletics, and/or educators to discuss the details of the probationary period.

## ILLEGAL SUBSTANCE USE AND TESTING

St. Agnes is an illegal substance and alcohol free campus. St. Agnes conducts random drug testing and use of vape detection devices as part of upholding our belief that students deserve a learning environment in which the culture of illegal drugs is neither present nor tolerated. Our hope is that drug testing will give our students a way to say "no" to drug experimentation and use. Our 2 offense policy reflects our belief in forgiveness and growth.

1. **1st offense - Consequences include** a parent conference, mandated treatment/program counseling, mandated testing 90 days + 2 weeks after offense, and future drug testing at the discretion of the Dean.
2. **2nd offense -** Consequences include expulsion from St. Agnes.

## TECHNOLOGY

Students are to report any known violations of this policy to appropriate administrative staff members.

All infractions of the Responsible Use Policy will result in limitations imposed on the student's technology usage. St. Agnes Academy-St. Dominic School takes no responsibility for violations conducted on School devices and/or materials stored on computers, laptops, or the network.

Wireless earbuds should not be used during the academic day, unless an educator has permitted their use for an assignment. Phones should be turned off at the beginning of the academic day. Some teachers require that students deposit their phones in a designated area.

NOTE: If the device is seen or heard, it may be confiscated by the educator and held until the end of the academic day, and the student may automatically receive 3 (three) demerits, which constitute a detention. 4. Seniors on Disciplinary Probation are not granted privileges.

## SERVICE HOURS

In the Dominican tradition, St. Agnes believes that faith is lived as well as learned. In order to help students become aware of the needs of others, to help them develop an appreciation for service to others, and to introduce them to the types of community services available and the people who provide them in our community, all students in the Upper School are required to complete service hours.

### Requirements and Expectations

Thus, by graduation, each student will have completed a minimum of 100 hours. All hours should be completed outside of the school day (except for Day of Caring). A list of suggested service opportunities will be available for each student's reference. (**Consult the Theology Department for details concerning acceptable service hours**) Hours beyond those required yearly cannot be applied to fulfill the next year's requirement.
- Students are required to report their service activities on their MobileServe account that is set up through their theology classes. All activities should be recorded within 2 weeks of the activity and hours accumulated during the summer should be recorded when school starts.
- All students must post service hours on or before the deadlines set forth by the Theology Department (See School Calendar). Note: ½ of the required hours are due before Christmas break.

## **VISITORS**

For the protection of students and to avoid disruption of classes, parents and other visitors must check in at a school office and receive a visitor's badge before conducting business on campus. No one can visit with a student during school hours without permission of the Upper School Dean.
